

Facial / cosmetic acupuncture

We appreciate that beauty lies within and wrinkles represent life experience and wisdom, but what if you want to look as young on the outside as you do on the inside?

At Eastern Vitality we can help reduce fine lines and wrinkles on your face and help you look as youthful as you feel at heart! By needling the face, blood flow and Qi carry nutrients to the cells, prompting the body's own healing response to harmonise the area of concern.

We can help:

- Treat acne and pimple scarring
- Increase blood / lymph circulation to the facial region
- Ease oedema, bags and puffiness under the eyes
- Treat hyper pigmentation, 'sun damage', scars
- Improve collagen production and muscle tone
- Treat facial disorders such as Bell's Palsy, TMJ pain.
